

Delt: He played the, uh, bass, I think? The bass fiddle?

JW: Yeah, yeah.

Delt: And Friday nights or Saturday nights, he'd bring that out, and we'd all be having a little libation, like we weren't supposed to.

JW: [laughs]

Delt: And uh, Ron would be, maybe with a couple other guys, he would be thumbing away on his bass.

JW: Yeah. Yeah. Did he have any favorite musicians that he really idolized?

Delt: I just...yeah, that wasn't my field.

JW: Right.

Delt: I just enjoyed singing along. Singing along with Ron.
