Mrs. MARJORIE J. TAMMEN, 21001 Hillgrove Avenue, Maple Heights, Ohio, telephonically advised on April 30, 1953, that her son had disappeared from the campus of Miami University, Oxford, Ohio during the early evening hours of April 19, 1953. He was a student at the university and had departed without his wallet, automobile, additional clothing, draft card or any personal possessions. She advised the local police and the Ohio State Patrol had been notified and requested that a notice be placed in the Missing Persons files of the Bureau.

She stated her son was apparently a victim of amnesia and that the police had not been able to locate any foul play nor was there any evidence indicating that he had gotten into any sort of personal trouble.

He was well-liked at that school and she indicated that his approaching draft did not seem to be of any major concern to him. Mrs. TAMMEN gave the following description for her son:
